Thanks. The current draft is on the last page of the document I just sent. I will remind Larry and Paul that you will be able to review the letter. Do you want to give feedback on the version that I just sent or wait for Larry to give his feedback and then see the letter as part of a simultaneous surname process (assuming that Larry wants a simultaneous surname)? Thaskn for yur help and attention on this.

I'd love to review the proposed letter to the chairwoman too. Thanks

Hi Patrice,

This is following up on Paul's request for 30 minutes with Larry today.

The topic for the meeting is administrative error / Tejon. Paul asked for me to join him when he talks with Larry. Attached is a draft informational memo for the meeting.

I am cc'ing Michael and Patrice for their information and so that they know there may be additional changes to the Draft Informational Memo that I sent this morning. I will update them if there is a new version following the ASIA meeting.

Thanks.
